NOTES

DEDICATION

Dick Papen

Dick and Anne Papen moved to Sandwich from Carlisle, Massachusetts, in the mid-70's. Dick had spent his career working as a marketing man for major food companies, which included assignments at H. P. Hood & Sons, Fanny Farmer, Schraffts, and Educator Biscuit. He and Anne first began coming up to Sandwich on weekends to visit their friends, the Hurleys. On one of those weekend trips, they paid a visit to Denley Emerson, and told him they wanted to spend a morning "looking at places." Denley showed them the house they live in now on Mt. Israel Road. That was in 1964.

After that, they spent weekends and vacations in Sandwich until Dick retired. Upon settling in Sandwich, Dick decided that he needed to find something to do. Part of what he ultimately

found was his long-running property maintenance business. He did painting and carpentry, mowed lawns, and opened, closed up, and generally looked after houses belonging to seasonal residents.

After all the lawns were mowed and the woodwork painted, Dick found he still had a little time left over, and this he used for activities with a public service orientation. He served on the Interlakes school board beginning in 1975, where he was involved with a move to change the funding formula that controls how much of the total cost of running the school district is paid by each town. He was Chairman of the School Board for several years. He had a long career as Selectman. He began in 1980, and served four terms. Major projects that took place during his tenure included reconstruction of the Town Hall, construction of the sewer system, closure of the landfill, and computerization of town records.

Dick became a Trustee of the Trust Funds in 1993, and he continues to serve in that capacity. He has been involved with the Fair Association for many years. He and Anne worked on production of the fair book, and Dick still does the advertising and publicity, including TV and radio spots. He was President of the Fair Association for several years in the late 1990's. He also served as caretaker of the library for many years.

Dick's acting career was a brief one, but his portrayal of "Benny South Street" in Guys and Dolls is considered one of the high points of Sandwich's theatrical history by many of the town's numerous theatre critics. His role called for him to sing the "Fugue for Tinhorns." Though neither Dick nor his audience would describe him as a great singer (he is reported to have been somewhat apologetic about his singing voice), he played the part and sang the song like the good soldier that he is.

Dick has been something of a gentleman farmer. He and Anne used to raise two pigs a year, giving each year's piglets playful names so that a breakfast guest never knew whether his

morning's bacon had come from "Sears" or from "Roebuck." He kept bees for a time, but abandoned that project when it became clear that demand for honey from enthusiastic neighborhood bears would always exceed supply.

Dick's trademark railroad engineer's cap, his ancient International Scout, and his ready smile have been a familiar sight on Main Street for a good many years; and if those many years have in fact been good ones for the town, some of the credit belongs to Dick.

SELECTMEN'S ANNUAL REPORT: 2002

The past year was a quiet one amid the natural beauty of the lakes and mountains that we all cherish. Much of the work of the Board of Selectmen was taken up with routine monitoring of town business and committee work. Several ongoing projects either made headway or were concluded, particularly the Central Station addition for the Fire Department, the revaluation of properties, and the construction and maintenance of the fire pond system.

The Central Station addition is providing additional equipment storage that has been sorely needed for some time and affords room for the EMT staff as well. The work done by Conneston Construction, Inc. came in enough under budget to allow for some additional work to be accomplished.

The revaluation of all town property, as ordered by the Bureau of Tax and Land Appeals and the Department of Revenue Administration commenced this summer after the Board awarded the contract to Avitar Associates of New England, Inc. of Chichester. Since then, Avitar personnel have inspected the exteriors of 100% of the properties and have visited approximately half o f the interiors involved. The cooperation of Sandwich residents and taxpayers has been exemplary and much appreciated. Please remember that the new valuations will first affect the tax rate in 2004.

A new fire pond was excavated by the town, with contracted help, on the Erb property near the dump road. It replaces a non-functioning pond on the south side of the Holderness Road. Funding for the pond was shared by the Erbs and the Town of Sandwich Fire Pond Capital Reserve Fund. In addition, the pond behind Town Hall was dredged and a new hydrant installed at the northwest end. (On a humorous note, there were a number of inquiries, nineteen at last count, about the "new" pond the Town was excavating.) The Quimby Fund Trustees plan to landscape the adjoining lot, which they own, to create a small park. The Town installed a hydrant at the newly dug Allen pond on Top of the World Road. Maintenance and repairs continued on the established ponds in Town.

A number of other issues also kept the Board busy. The state legislature passed an RSA providing a discretionary easement for the preservation of historic barns and other agricultural structures, and first application in the state was here in Sandwich. The Board anticipates that there will be further interest in this mechanism for saving a important part of our rural heritage. The Quimby Trustees generously agreed to fund improvements at the Town skating rink next to Town Hall; some of the work was completed this autumn and will be finished this coming year. The perennial leaks in the Town Hall cupola have been solved, and for some time, the clock was working well. However, it seems to have a mind of its own and continues to bear watching.

Best wishes and thank you to the following for the time and effort they put in on behalf of Town committees and organizations: Alan Simmons, Lois Brady, and Dale Mayer, Library Board of Trustees; Marguerite King, Ballot Inspector; Joseph Upson, Conservation Commission; Roger Merriman, Historic District Commission; and Pat Mudgett and Cynthia Yeager, Parks & Recreation Committee. Their contributions will be missed. To all of you who serve on those same committees and volunteer your time in so many ways to help make the Town of Sandwich such a wonderful place to live, your work is appreciated.

Respectfully submitted,

Richard E. Crockford, Chairman
Fred E. Bickford

Trustees of Trust Funds

Early in 2002, the Trustees of Trust Funds established two goals to meet by year-end 2002.

The first goal was to perfect the preparation of reports required by the State of New Hampshire and the Town of Sandwich. We now have expertise "in house" to prepare these reports and, in addition, we have a backup should it be required.

The second objective was to critically review the four investment managers assessing both the investment performance and the ability to properly execute administrative matters. The Trustees eliminated two of the investment managers which has reduced the investment management fees noticeably. These changes were effected in the third quarter of the year and the Trustees expect improved investment results in 2003.

The Trustees annually review the Investment Policy and late in 2002 approved an Investment Policy for 2003 establishing an asset allocation of 50% equities and 50% bonds.

The Trust Funds and Capital Reserves paid out in 2002 are an integral part of this report.

The Trustees meet at the Town Hall on the second Wednesday of each month at 8:30am. The meetings are open to the public.

Respectfully submitted,

John L. Webb
Richard A. Allen
Richard C. Papen

TOWN CLERK'S REPORT

The town clerk's office continues to be a busy place, with a steady increase in transactions. Three elections were held, motor vehicle registrations increased by 103 and an additional 39 dog licenses were issued in 2002. Collections have also increased for parking fines and town violations as well as for dog fines and forfeitures.

You may complete just about any town clerk business through the mail with the exception of applying for a marriage license. You may request copies of vital records, license your dogs, as well as register your vehicles by mail. Simply call our office during regular office hours and we will arrange this with you. Per State RSA, dogs must be licensed by April 30 of each year and licenses are available and can be purchased beginning January 1.

My deputy, Barbara Shoemaker, and I look forward to serving you in 2003.

Office Hours
Tuesdays and Thursdays from 9:00 a.m. to 3:00 p.m.
First Monday night of the month from 7:00 to 9:00 p.m.
First Saturday morning of the month from 9:00 a.m. to Noon
(Closed Holidays, Holiday Weekends and Election Tuesdays)

Please call 284-7113 at any time to hear a recording of our office hours including last-minute scheduling changes and other timely information.

TAX COLLECTOR'S REPORT

I am pleased to report that as of December 31, 2002, our office had collected 94% of all 2002 property taxes due. I'd like to remind taxpayers that payments, including pre-payment of taxes, may be made at any time during the year and are welcomed. Please contact the office for more information.

Early in 2003 we will begin using our new tax software and the 2003 tax bills will have a new look when they come out mid to late fall.

Thank you for your continued support.

Respectfully submitted,
Sharon Teel, Town Clerk/Tax Collector

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Sandwich
Sandwich, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Sandwich, New Hampshire as of and for the year ended December 31, 2002 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with accounting principles generally accepted in the United States of America. As is the case with most municipal entities in the State of New Hampshire, the Town of Sandwich has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Sandwich as of December 31, 2002, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Sandwich taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Sandwich. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

WARRANT AND MINUTES
2002 TOWN MEETING

The first session of the 239th Sandwich Town Meeting was held on March 12, 2002 at the Sandwich Town Hall. At 10:00 a.m. Moderator Frederick Rozelle called the meeting to order. He read the notarized statement signed by Timothy A. Miner, Fred E. Bickford and Richard E. Crockford, Sandwich Board of Selectmen, certifying that on February 20, 2002 an attested copy of the within Warrant was posted at the Sandwich Town Hall and the Sandwich Elementary School, being places of meeting within specified, and a like attested copy at the North Sandwich Store, North Sandwich, Sandwich General Store, Center Sandwich and S. H. Wentworth Library, Center Sandwich, public places in said Town. He announced that the meeting will be held in two sessions with Articles One and Two being voted on today until 7:00 p.m. He then proceeded to read the 2002 Warrant. At the conclusion of Article Two Richard E. Crockford made a motion to suspend the reading of Articles Three through 41 until Wednesday. Jim Mykland seconded, the motion was voted affirmative. Richard E. Crockford then made a motion to vote on Articles Three through 41 at the second session on Wednesday night, March 13, 2002. Jim Mykland seconded, the motion was voted affirmative. Theodora Haughton inspected the ballot boxes and voting began at 10:05 a.m.

To clarify and define the requirements for a building permit. Also to increase the minimum fair market value which defines the need for a building permit for repairs and renovations to an existing structure.

YES 205 NO 50

Moderator Frederick Rozelle called the second session of the 239th Sandwich Town Meeting to order at 7:00 p.m. on Wednesday, March 13, 2002 at the Sandwich Elementary School. Reverend Mark Henderson offered the invocation and several members of the Sandwich 4-H Club led the Pledge of Allegiance. Ms. Diane Johnson, Sandwich 4-H leader, spoke about the 100th anniversary of 4-H in the United States, led the children in the 4-H Pledge and took a moment to talk about the various 4-H groups in town. Mr. Rozelle said all voters must register with the Ballot Inspectors and receive a ballot card. Janet Brown made the motion to allow two town employees who are not registered voters in town, police chief Jeff Jaran and parks & recreation director Jere Burrows, to speak at the meeting. Richard Allen seconded and the motion was voted affirmative. Mr. Rozelle introduced the Ballot Inspectors, Donna Morton, Anna Foisy, Nancy Benton and Dale Mayer; Supervisors of the Checklist, Janet E. Brown, Nina Eaton and Pat Merriman; Town Clerk/Tax Collector, Sharon Teel and her Deputy, Barbara Shoemaker; the Selectmen, Timothy Miner, Richard Crockford and Fred E. Bickford; Administrative Assistant, Wendy Huff; Assistant Moderator, Jim Mykland; Police Chief, Jeff Jaran and policeman Joe Canfield and himself as Moderator. He then introduced the microphone runners, Jackson Coombs and Katheryne Coombs. He pointed out the exits, rest room locations and said smoking in the building is prohibited. The Moderator stated that the rules for this meeting will be based on Robert's Rules with some departures based on Rowan's and Rozelle's Rules. He said he would not recognize a motion to adjourn until the business of the meeting is over and any ruling he makes may be challenged by a voter and he may be overruled by a simple majority vote. Any challenger would be recognized and no second would be required. The challenger would have the right to state his/her reasons for the challenge. He read the following rules:

(A) Anyone wishing to make a motion, second a motion, or speak on an Article must first be recognized by the Moderator – there will be no cross-floor debates. (B) When recognized, please stand, wait for the mike, state your name and approximate address when

making or seconding a motion, or speaking to any motion or amendment. (Reasons for this rule-minutes of the meeting; get to know each other; be sure person is qualified to speak). (C) Voting will be by a show of hands using the voter cards. If you leave the room for any reason, please leave your card with the Ballot Clerks at the door and pick it up when you return. (D) Seven voters may challenge the declared vote on any Article before the next Article is brought up. Then a secret ballot must be held. (E) If a secret ballot is desired on any Article, a written request signed by five voters is required and must be presented to the Moderator any time prior to the vote on the Article. I will not recognize such a request unless all those signing the request are present. (F) Five voters may request a recount of a secret ballot before the next Article is taken up provided that the vote margin was less than 10% of the total vote cast. (G) No one can speak a second time until everyone has had a chance to speak a first time. An exception will be made when a person is answering a series of questions. (H) Any Article may be legally amended, each amendment will be discussed independently and acted upon before the Article itself is called. I will not recognize a motion to table indefinitely or to pass over an Article, nor, as I said before, one to adjourn the meeting until the business of the meeting is over for the evening. (I) A motion to reconsider an Article may be made any time prior to final adjournment and the Article would be taken up again immediately unless protected by a vote to restrict reconsideration – or unless I refuse to accept the motion. (J) Only registered voters may speak from the floor. (K) No motion to call the question will be accepted until everyone has had a chance to have their questions answered. And, as one of my mentors used to say, "the only stupid question is one that isn't asked." (L) RSA's cannot be overruled by Town Meeting. (M) I will vote only to break a tie vote or to cause a tie vote in which case the motion fails. (N) We have a lot to cover tonight and if the meeting appears to be dragging on I will institute a time limit for each person speaking on a motion. As you have heard me say before, please don't feel obliged to speak on every Article, and please speak only to the Article or motion that is on the floor at the time.

The Moderator read the results of the Town Officers vote and the School District vote on Article One and the results of Article Two. Total voter turnout on March 12 was 279 with 9 absentee votes returned. 153 voters attended the second session. He then proceeded to Article Three.

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum $ 40,600 for Property Appraisal; $ 40,000 for an Assessor and $ 600 for map revisions. Further to authorize the Board of Selectmen to explore the possibility of contracting jointly with other towns for an Assessor and enter into a contractual agreement for an Assessor cooperatively with other towns if deemed appropriate.

Motion by Jack Webb, second by David Huff.

Timothy Miner made a motion to amend Article 3 as follows:

To see if the Town will vote to raise and appropriate the sum $ 12,600 for Property Appraisal; $ 12,000 for an Assessor and $ 600 for map revisions. Further to authorize the Board of Selectmen to explore the possibility of contracting jointly with other towns for an Assessor and enter into a contractual agreement for an Assessor cooperatively with other towns if deemed appropriate.

Second by Jim Twaddle. The amendment was voted affirmative.

Article 3 as amended was voted affirmative.

Before the reading of Article 4 Mr. Miner announced and read the following corrections to the 2001 Town Report:

ARTICLE 40. Shall the town adopt the provisions of RSA 41:14-a authorizing the Selectmen to acquire or sell land, building, or both, provided, however, they shall first submit any such proposed acquisition or sale to the Planning Board and to the Conservation Commission for review and recommendation by those bodies? After the Selectmen receive the recommendation of the Planning Board and the Conservation Commission, they are required to hold two public hearings at least ten (10) but not more than fourteen (14) days apart on the proposed acquisitions or sales. The Selectmen are required to wait at least ten (10) days but not more than fourteen (14) days after the second hearing to vote. If prior to the Selectmen's vote they are presented with the written petition of at least fifty (50) registered voters, in accordance with RSA 39:3, the proposed acquisition or sale shall be delayed and inserted as a warrant article for decision by the next town meeting. The provisions of this article shall not authorize the Selectmen to sell conservation land, town forest, or any real estate that has been given, devised, or bequeathed to the town for charitable or community purposes. This authority will remain in effect until specifically rescinded by a vote of a subsequent town meeting.

Motion by Robert C. Miner, second by Kim Tracy, voted affirmative.

ARTICLE 41. To transact any other business that may legally come before said meeting.

Susan Wiley requested that selectmen consider lumping the petitioned articles together and not requiring the non-profit organizations that are well known to the voters to submit petitioned articles and collect the required number of signatures in order to save time at town meeting as well as hours of time collecting signatures. She indicated that some other communities simply include these requests in one article or in their selectmen's budgets. Ms. Wiley felt that organizations new to the town should

still have to submit petitions with signatures. Robert Jeffers expressed concern that the state spends too much of their highway funds elsewhere on roads when the roads here in town are in need of repair. He also said he would appreciate a better sound system at town meeting. Selectman Tim Miner noted the recent passing away of Pauline Peaslee and gratefully acknowledged her 21 years of service as a ballot clerk. He thanked the following people for their service to the town: John Perkins, who stepped down as librarian; Roger Merriman, who resigned from the Historic District Commission; Marguerite King, who has served many years as ballot clerk; Joseph Upson, who resigned from the Conservation Commission; Dale Mayer, who resigned as library trustee; and Charles Johnston, who resigned from the Planning Board. Mr. Miner also thanked Administrative Assistant Wendy Huff, " who keeps us going straight as much as possible." Selectman Richard Crockford acknowledged the great debt of gratitude due outgoing selectman Tim Miner and Mr. Miner received a round of applause along with a standing ovation and was presented with a gift.

Motion to adjourn by Richard Crockford, second by Richard Allen, voted affirmative.

The meeting was adjourned at 9:03 p.m.

ZONING BOARD OF ADJUSTMENT

In 2002 the Board of Adjustment received and considered six completed applications for hearings. These applications included:

One Variance – one granted
Four Special Exceptions – three granted; one denied
One Equitable Waiver of Dimensional Requirement – no action needed

The Board encourages anyone anticipating a project that involves alteration to an existing structure, changes in use of existing property, or construction of new buildings to carefully review the Zoning Ordinances, Subdivision Regulations and, when applicable, the Historic District guidelines. It is cheaper and easier to first review the regulations and comply at the start than to be noticed for a violation and attempt to retroactively comply.

Respectfully submitted,
James M. Hambrook, Chairman

Certification

The State of New Hampshire, as part of the equalized statewide property tax, has mandated that every town record the linear footage of every property located on a road or Great Pond. In the Town of Sandwich this includes not only all of the roads, public and private, but Squam Lake and Bearcamp Pond frontages. This information is to be shown on the Town property maps and records.

The Selectmen are required to certify the accuracy of all of this data. In Sandwich this is being accomplished by relying on public records for the data. For every property with street or Great Pond frontage, the source of the data as well as the street type is recorded. The frontages will be inserted into the property maps and all data will be included on the individual property cards and Blotter Book computer records.

The primary sources for these data include deeds and maps which have been registered at the Carroll County Registry of Deeds, Town Planning Board maps and maps from licensed surveyors. Every data record notes the source of the data and its location. In this manner the Selectmen can easily certify the accuracy of these data and provide a ready reference to it.

As of this writing some seventy percent of the over 1,660 properties in the Town have been so accounted for and recorded. Work continues.

Respectfully Submitted,

Leonard H. Marino

CONSERVATION COMMISSION

The Conservation Commission conducted a monthly schedule of meetings this year. The meeting time is the First Wednesday of every month at 7:30. Members reviewed the actual conditions for several Wetlands applications and provided comments to the Selectmen, Planning Board, and DES Wetlands Bureau, as appropriate. This year there were no Wetland permit applications of exceptional note. We thank everyone who attended for their involvement and efforts.

We continued our support of the '5 Days Of Sandwich' summer Conservation Education program. This program is for 10 to 13 year olds. We thank the White Sylvania Trust, Bearcamp Valley Garden Club, and private donors as well as the Town for their support. Thanks to the gift from the Coolidge Trust we will continue to support this program in the future. In 2002 the two one-week sessions were very successful; again this year they were grouped by level of interest. We were successful this year in renting one 14 passenger van which was necessary as both sessions were full.

The Lakes Region Planning Commission household hazardous waste committee is pleased to report that the permanent Wolfeboro site has been completed and is in operation. The one day collection was still held this past summer. It is possible that more collections may be shifted to the permanent site; watch the papers for details.

The Town's Conservation Easement lands were monitored this year through the use of ground reconaissance and aerial inspection and photography. The flight was done in late November. We noted no problems with any of the easement lands; but over Bearcamp Pond we had the pleasure of seeing a bald eagle from the air. Our ground work covered several parcels in North Sandwich, we anticipate viewing others during the next year. We have begun work to mark the Heritage Woods subdivision easement; the

boundary apparently was not marked at the time the easement deed was given to the town. We continued our maintenance efforts for the Bearcamp River Trail with spring cleanup. We hope those of you who enjoy walking this trial will assist with this work.

We thank the Selectmen and the Town Hall office staff for their efforts this year.

The year 2002 continued a series of challenges to personnel and equipment of the Fire-Rescue Department. In August, due to severe drought conditions, the Department, with Mutual Aid assistance, fought a stubborn woods fire off the Holderness Road on and off for over a week. The fire, which was started by a lightning strike, burned deep into rocky soil and was be very hard to extinguish. Also this Summer we carried out an injured hiker from far up the Wentworth Trail on Mt. Israel and the next week assisted Tamworth in carrying out an injured hiker from far up the Brook Trail on Mt. Chocorua.

Our new addition went up at Central Station and gives us much needed storage space and a EMS office and storage area. In December Engine 3 went out to have its water tank replaced and a new class A foam system installed. This was made possible by Town support and a generous donation from the Quimby Trust.

The Town was the recipient of a FIRE Act grant of over $9800.00. This money has gone towards updating and expanding out communications capabilities. Many thanks to Jackie Brackett who worked very hard to help secure this grant. This past year members of the Department put in over 3700 hours in training, work details and responding to emergencies. We are in need of younger, active members to carry on the Department mission of service to the community. With most members working out of Town and very few members available during the daytime hours, and also the continuing swell of administrative paperwork and details, the time is

Fire/Rescue Department (continued)

now here for the Town to consider having one or more full time firefighters available during the day.

The Fire-Rescue Association continues to support the mission of the Department and in 2002 contributed over $7000.00 in equipment materials and labor to help towards the goal of better medical and fire protection for the Town of Sandwich.

A new dry hydrant was installed on the Holderness Road near the Erb residence and you may have noticed a major clean out of the pond behind the Town Hall. Thank you to the Town Crew for the many, many hours of labor involved in these projects.

Please remember to display your house numbers where they can be seen from the road. This small effort my help save your life.

HIGHWAY DEPARTMENT

The year started off with little snow, but plenty of ice. By the first of April, we were able to place gravel and grade roads, which is very unusual, it was at least thirty days early.

Work was done on Middle Road, ditching, digging rocks, and placing base gravel for 3,696 linear feet, and is ready for the placement of geo-textile and 8" of 1 ½ CBR gravel.

Sections of Great Rock Road and Range Road were ditched and shimmed; 191.06 tons of shimming material was used.

We placed a new dry hydrant and built a turn-out for the fire trucks on Top of the World Road. With the help of Charlie Johnston, we dug a new fire pond on the Erb property, Holderness Road, with the hydrant located on the Dump Road. In addition, we dredged the Town Hall Pond and placed another dry hydrant behind the church.

Once again, we used magnesium chloride for dust control. With a few more changes in placement amounts per square yard, we will have a good safe solution to the dust problem.

Our new International Dump Truck arrived October 31; Ken and I say, 'thank you.'

Once again, I would like to thank the men that make the Highway Department work: Bill, Ken, Bob, and Kirke. Also, thanks to Wendy and the Board of Selectmen.

HISTORIC DISTRICT COMMISSION

The Commission met eight times this year and approved signs and changes of color on houses, as well as processing many applications.

The Commission was very pleased with the painting and repair of the Masonic Hall and we have thanked the Masons.

Residents and property owners in the District are reminded to seek Board approval when making changes to the exterior appearance of their home or making changes to landscaping.

My thanks to all the Members of the Board for their participation during the past year.

PARKS AND RECREATION DEPARTMENT

Activities and programs included the following:

Children's Winter Program-Includes skating, x-c skiing, downhill, snowboarding and sliding. All children in grades 1-6 participate in one of these winter activities.
Cross-Country Ski Trails- groomed trails on and around Quimby Field, the Sandwich Fairgrounds and across Squam Lake Road when snow conditions allow.
Skating Rink- On the Frost Lot next to the Town hall, the rink surface was expanded and berms constructed to help hold the water. Plans are to finish leveling the surface next spring and install an easier way to access water from the Town Hall pond.
Hockey Program-Children participate in hockey at the Hamm Arena in Conway with scholarship money available for one session of the player's choice, this money donated by the Quimby Trust.
Youth Softball/Baseball-Offerings of t-ball, farm, minor and major league teams for age's 5and up.
Sandwich Lot Baseball-During the months of July and August any interested players (coed) could participate in baseball skill development on Quimby Field 3-4 days a week under the direction of coach Tim Muskat.
Learn to Golf-For adults and children after school on the fairgrounds, children practiced and played holes on the fairgrounds practice course.
Adult Tennis-Spring, summer and fall. There were approximately 90+ participants for the summer season with another 25-30 participants in the round robin activities.
Kids Fishing-The pond behind the Town Hall will be stocked with trout next year, the pond was dug out and cleaned in the fall.
Summer Program-Includes tennis and swimming lessons, softball, baseball, soccer, basketball, biking, weeklong soccer and baseball camps with 40+ participants.
Old Home Week-Held the week of August 4-11, activities are offered throughout the week.
Youth Soccer-Started this year with a soccer camp the week of July29-August 2; teams included instructional, 3&4, 5&6.
Great Halloween Pumpkin Display-At Remick Park in North Sandwich, again about 30 pumpkins were placed on the wall, about the same as last year.

Youth Basketball-Includes farm/instructional and teams for 3&4, 5&6 girls and boys.
Adult basketball-Twice weekly at the school gymnasium.
Community Tree-Held at the school, the department helped with the tree.
Holiday Lights-On the tree, on the green, and Remick Park and, also, at the Police Department.
Adult Fitness-A program designed to promote strength, flexibility and cardio-vascular fitness in adults, held at the Town Hall three times a week. Under the instruction of Ms. Colleen Nungesser, certified instructor and fitness consultant.
Walking Program-The school gymnasium is open Tuesday, Wednesday and Thursday for walking from 4:30-5:30pm during the winter months.
Playground Equipment-The voters approved the purchase of a new swing set and climbing platform for Remick Park and were installed in August on the hottest day of the year! Many thanks to the volunteers, the Selectmen, and the Highway Crew for helping with the construction process.
Swimming Lessons-Ms. Erin Greene, head lifeguard, had 50 children participate in this program at the Town Beach at Squam Lake.

The Parks and Recreation Department also helps with some of the school activities and other organizations through the use of equipment or facilities during the year. Thanks to all the people who help throughout the year, Pete and the 'boys', the Selectmen and Quimby Trustees, the youth sport coaches, the lifeguards, Ms. Nancy Morton, Ms. Donna Kuethe, Mr. Chris Dillon, Ms. Colleen Nungesser, Mrs. Wendy Huff and especially to all the businesses who sponsored the youth league teams. This year marked the last year Ms. Kerry McEleney will be helping the ski program and many of the youth sports and she will be really missed. Her enthusiasm and energy will be hard to replace! A special thanks to Mr. Tim Muskat who put in many long hours for the great sport of baseball and who has really revived the interest in our children and for organizing the weeklong baseball camp. Also, thanks and appreciation to the Sandwich Fair Association for the use of their facilities including Mr. Earl Peaslee and Mr. Jon Burrows for their help throughout the year.

PLANNING BOARD

The Planning Board had another very active year. Although applications for sub-division or boundary-line adjustment, site-plan review, and scenic road tree cuts were still down from recent past years, the board was exceptionally busy with the gravel pits, steep slopes and a Master Plan update.

Elected Officers for the year were Bob Miner, Chairman, Bud Martin, Vice-Chairman, Sue Bowden, Administrative Secretary; and Sarah Zuccarelli, Recording Secretary. Carl McNall and Peter Hoag were welcomed as alternate members to fill vacancies. The Capital Improvements committee consisted of Carl Hansen, Chairman, Rick Crockford, Bob Miner, Kirke Read, Jim Hambrook, Jim Gaisser, and Walter Robinson.

A sub committee spent many long hours reviewing the zoning ordinance for proposed improvements, but in the end the board was unable to agree on satisfactory wording for proposed changes to commercial activities allowed in the rural-residential district. We will work on it again for next year.

Even though the town's-people voted to not accept a proposed change to the zoning ordinance concerning gravel pits, the board has still been forced to spend a disproportionate amount of time working on this issue. We are working to get the pits into compliance with all rules and inspected each pit at least once. The board still faces some hurdles concerning the proposed expansion of the Ambrose Brothers, Inc. pit.

Another issue that consumed a great deal of time was a steep slopes application. The board was asked to approve a winding drive up a steep hill overlooking Squam Lake for a non-conforming lot of record. The applicants spent a lot of effort having an engineering firm design a very thorough plan for a

driveway and house site. After much impassioned discussion, the board approved the proposal, but they felt the ordinance needs some reworking and clarification that we plan to address this next year.

The Board continued to spend countless hours on refining the update to the Master Plan. Again, Fred Rozelle was the point person for this extremely important and arduous task. A strong and current Master Plan will allow our town to control its own destiny.

A final project the Planning Board approved was a proposal to have a professional company go over all the towns planning related ordinances to look for ways to clarify inconsistencies, better cross reference and reorganize our laws in an effort to make them more user friendly.

I want to thank the members for their hard work, diligence and patience in trying to sort out all these important issues. This board remains committed to tending to the best interests of the people of Sandwich as the town continues to grow and evolve. We appreciate the continued support of the town's residents and other boards. As usual, the assistance of Wendy Huff, Sharon Teel, and Barbara Shoemaker is incalculable.

Robert C. Miner, Chairman

POLICE DEPARTMENT

The Sandwich Police Department had a very active year in 2002. This year the department responded to a total number of 912 calls for service, which was an increase of 12.5% from 2001. Included in this increase were a number of lengthy criminal investigations that led to arrests.

The department made 24 arrests ranging from simple assault, burglary, DWI, illegal possession of drugs, felonious sexual assault, theft by deception, illegal transportation of alcohol, criminal threatening, driving after license suspension and disobeying a police officer.

The department covered a total of 21 motor vehicle accidents.

I would personally like to thank New Hampshire State Police Troop "E" Commander, Lt. Harry H. Nedeau and his personnel for their service to the Town of Sandwich. I would like to take a moment and recognize the dispatch center a Troop "E" which has done an exceptional job and is truly our lifeline. We could not do it without them.

The State Police responded to a total number of 83 calls for service in 2002, covering 15 motor vehicle accidents and making 2 arrests while covering the town in our absence.

Our newly created police prosecutor position has been a tremendous success. Prosecutor Dennis Davey has had a major impact on cutting the number of hours officers need to spend out of town attending court trials. As the times are changing, so does the complexity of the cases and the time needed to prosecute them. I believe the positive results are a tribute to Dennis Davey's ability, character and reputation as one of the finest Prosecutors in the State.

The residence/business security check program, which was initiated this year, resulted in 71 requests. Officers made a total of 561 checks to area homes and businesses during the owner's absence.

DEA Special Agent Lisa Remmick will once again be leading our "DARE" Program at the Sandwich Central School for the upcoming year. Lisa did a wonderful job with the Graduating Class of 2002. We, as a community, are very fortunate to have such an instructor in our school. I want to thank the Quimby Trustees for their generous contributions toward the program.

The town has finally succeeded in its quest to have the "flashing yellow" school zones signs installed and posted in front of the Sandwich Central School. It is the department's hope that vehicular traffic will now notice and obey the school zone speed limit. As previous years, officers will be enforcing the posted speed limits in the school zone.

I would like to congratulate Officer Joseph Canfield after completing his first year on the job as a full-time officer as well as for his fine work and commitment to the town. I cannot say enough about the hard work of our Part-time Officers, Peter Beede, Doug Wyman and Wayne Giles. All have made a tremendous sacrifice to cover shifts and in doing so have experienced some extremely stressful incidents over the course of the year.

As always, the department is here to serve and protect the community with pride and integrity. Our hard work could not be possible without the support of the Selectmen's Office, fellow town employees and area police departments. Again, a sincere thanks goes out to all those who have made a difference in our day to day activities.

The department does appreciate everyone's kind words and support throughout the year. As a reminder, please keep a watchful eye on your neighborhood for any suspicious or criminal activity and NEVER hesitate to call.

Respectfully submitted,
Jeff D. Jaran, Police Chief

THE SAMUEL H. WENTWORTH LIBRARY

It is a little more than one year since we hired Jo Darling as Librarian, and in that time she has integrated into the community and is doing an excellent job. Library trustees have heard nothing but complimentary remarks.

The year 2002 saw continued turnover of Library staff. The Trustees express the thanks of the town for the long years of service of M.F. Hambrook, Assistant Librarian, and Dick Papen, Custodian, who both retired from the library in 2002. We are fortunate in adding Glynis Miner and Anne Papen as Assistant Librarians and Bill Krueger as temporary Custodian.

With the new Librarian and now new staff members, hours of opening can be a little more flexible than in the past. Hours in 2002 were increased from the previous 25 per week to 31, and a further increase is under consideration for the coming year.

With most immediate problems under control, the Board has started to consider longer range planning, mainly having to do with our facility. Some immediate problems and some possible future ones have been identified. This effort is in a very preliminary state, but should be developed further in the coming year.

As always, we are grateful for the financial support we obtain from many sources. The Friends of the Library have been particularly generous, contributing $5,000 this year for books, in addition to the $500 they annually give the library, which is the sum appearing in our budget. Other major contributors in 2002 were the Beveridge Foundation, $5,000; the Quimby Trust, $3,000; the Heard Trust, $3,000; and the White Sylvania Trust, $1,000. Our operating expenses are covered by our Library trust income and by the town's contribution, but we rely heavily on contributions from individuals and foundations to pay for capital improvements and for additions to our collection.

Samuel H. Wentworth Library (continued)

As important as financial support is the help we get from volunteers. We appreciate their support, and urge anyone interested in volunteering to speak to the Librarian. We have been particularly pleased with the help we get from a group of 4-6th graders.

Respectfully submitted,
Alan J. Simmons, Chairman, Board of Trustees.

Our library has enjoyed a wonderful year, thanks to our patrons, friends, volunteers, staff and community-wide support. Our circulation numbers are up from last year, and so is the number of card holding patrons and folks using the Internet. I am proud to report that many patrons have commented that, "they have never seen the library so busy".

Sadly, in 2002, two members of the library staff retired- Mary Frances (MF) Hambrook and Dick Papen, both with well over 20 years of service! I wish to thank them both for their years of dedicated service, wish them well and remind them of just how much we appreciate all they did for us and how much we miss them. I would also like to welcome our new Library Assistants- Glynis Miner and Anne Papen!

Thanks to the Quimby Fund, we were able to purchase and install a new circulation system. Thanks to the Friends of the Library, White Slyvania Trust and the Beveridge Foundation, as well as town funds and private donations we have been able to purchase many books, movies, magazines and have begun to offer DVD movies.

Librarian's Report (continued)

The Library has expanded our hours of operation again, and now we are open 35 hours per week on a year round basis!

As a new year begins, we hope to provide even more materials, services and programs to meet the informational/recreational needs of our community.

SEWER COMMISSION

Total system flow is virtually unchanged from prior years. No new users were added to the system in 2002.

A small increase is being requested for the year 2003 budget to cover required environmental testing of the system. In addition to the normal yearly contributions to the Sewer Capital Reserve Fund, a special transfer of accumulated unused operating funds was made to the Reserve Fund.

The proposed closing of the Lamprey Lagoon in Moultonboro caused concern this year. The lagoon now handles all of the septage from our system as well as all individual septic systems in Sandwich. However, the planned waste handling facility, at the same location will have more than adequate capacity to handle the present volume.

We remind you yet again that connection of sump pumps to the system is a gross violation and unfair to other users. Offenders may expect to be vigorously prosecuted. We also remind users that they are allowed to place sillcocks before meters, but these must be inspected by a Commissioner after installation. We would also like to remind users to ensure proper insulation to keep meters from freezing. Replacement of damaged meters will cost the user $125.

And, please continue to be cautious to choose saps and cleaning products that are low in phosphates and not use any other inappropriate substances which will end up in our/your system.

Enhanced 911

As a liaison for E911 for the Town of Sandwich it is my duty to ensure the implementation and ongoing support of the E911 system. This is done by coordinating with Town Police, Fire, Rescue, Road Agent and Selectmen along with the Post Office, Verizon Communications and the State of New Hampshire Bureau of Emergency Communications, especially the Mapping Division.

In Sandwich E911 is designed to work even if the caller is unable to speak. The result of the above efforts is that Emergency Services are automatically dispatched upon receipt of a call to 911. Every telephone in Town is linked to a corresponding uniform street address. It is therefore critical that all properties with an assigned house number post that number properly.

All new construction requires the assignment of a valid house number before electrical and telephone service can be established. This is just one small part of the liaisons functions. Sandwich was one of the first Towns on-line when the State implemented the system in 1995 and has one of the best compliance records in the state, hovering around 99%. However, many houses still are not properly displaying their respective house numbers. This system is designed on a very strict formula of numbering which allows the emergency responders to more easily find a location.

If you have any questions regarding your house number, or how to properly display it, please contact the Selectmen's Office during normal business hours. If they cannot answer your query it will be forwarded to me for resolution. Please remember, 911 saves lives.

MEMORIAL DAY MEANS ...

Memorial Day means to me, to remember the soldiers and people who served our country. In the Civil War there were a lot of people who fought for America's freedom. It is also about people who died.

Memorial Day makes me feel sad. It makes me think about the people who won our freedom. I am glad I have freedom to do and say what I want to.

We celebrate Memorial Day by putting out flags. We visit the graves and place flowers on the graves of the people who died. We have a band that plays music and marches. Memorial Day means to give thanks for the freedom we have.

A TIME TO REMEMBER

Freedom was won
Lives were lost
A time to remember was made.
Memorial Day we call it
A day for those who served.

Freedom was won
Freedom, the thing that all yearned to hear.
The thing that lets you walk in grassy meadows
Run in leafy forests
And swim in saphire waters.

Lives were lost
Families torn
Never to be together again,
We will remember
Those who lost their lives.

MEMORIAL DAY

Memorial day is a day for us to honor the military and to remember all the people who risked their life to save our country. A lot of American flags are waving on high on poles in towns and cities all over in America. On Memorial Day people put out red, white, and blue flowers at the graves of people that died in war. Citizens come to watch the parades with marching bands and veterans. They march to the post office and listen to speakers talk about the wars. A moment of silence to remember people who were in war is held.

I think that this year is an especially important year. We are remembering all the people who are now at war. Our military is fighting in Afghanistan and other countries to stop terrorism. They are fighting to protect our homeland and keep us free.

WHAT MEMORIAL DAY MEANS TO ME

Memorial Day is a time for me to remember all of the men and women that fought for our country in all of the wars. From the beginning of independence, I think that Memorial Day is just a time to remember all of the brave people that fought, or just helped the sick and wounded. I think that without their bravery, we would not be here in a free nation today. I'm so glad to be who I am, an American, doing the things that are fun and what I want to do, that I think I owe it all to these brave people for giving up their lives for our country and our freedoms. Sometimes mostly what I think about when I think of Memorial Day is our flag (the Red, White, and Blue), rejoicing, fireworks, parties, and I just think of how proud I am to be me, and of all those people who sacrificed their lives for our nation to be free, with Liberty and Justice, for all.

WHAT MEMORIAL DAY MEANS TO ME

Memorial Day is a very special holiday for our country and people. It is a holiday to acknowledge and remember all the brave members of the United States who fought and died for us. They didn't have to fight, they didn't have to die, but they wanted to protect our nation and the people in it. Memorial Day helps us to remember those people and to give them the honor that they wee not alive to receive. I find meaning in understanding the history of the holiday and how it all began.

No one really knows where Memorial Day was started, but a popular version of its beginning is that it originated in Charleston, South Carolina, on May 30, 1865, where Negro schoolchildren spread flowers on the deserted graves of Union soldiers. This started many ceremonies all over the divided country, and on May 5, 1868, General John A. Logan, commander of the GAR (Grand Army of the Republic) gave General Order 11, declaring May 30, 1868, national Memorial Day. This was the order:

"The 30th of May, 1868, is designated for the purpose of strewing with flowers, or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion, and whose bodies no lie in almost every city, village, and hamlet churchyard in the land. In this observance, no form of ceremony is prescribed, but posts and comrades will in their own way arrange such fitting services and testimonials of respect as circumstances may permit."

As you can see, this was meant to be a holiday for only the year 1868. But, the day stuck and in 1873, New York was the first state to declare May 30th a legal holiday. By the 1890s, almost every northern state ws observing Memorial Day. Many southern states at first refused to celebrate, so they created Confederate Memorial Day. But, the south began to observe the holiday when it was announced that Memorial Day honored soldiers from all wars in the history of the United States. Finally,

after 106 years, on January 1, 1971, Congress passed a law declaring the last Monday in May, Memorial Day.

Memorial Day was originally called Decoration Day because people did and do decorate graves of soldiers with wreaths and flowers. Moina Michael started the tradition of wearing poppies on Memorial Day to honor the soldiers who perished. Each year, the 3rd US Infantry places small United States flags in front of all the graves in Arlington National Cemetery. There is always a ceremony near the Tomb of the Unknown Soldier. Many places say that Memorial Day began there, like Columbus Mississippi, Macon, Georgia, Richmond, Virginia, Boalsburg, Pennsylvania, and Carbondale, Illinois. The place that has been officially named the beginning of the holiday is none of the towns named above. It is Waterloo, New York. This is because the town was the first to close stores and make the day specifically for remembering the soldiers.

Memorial Day means something to me because I can think about all those brave men and women who gave their lives for me and the people of the United States. Memorial Day recognizes each and every person who was killed in battle to protect their country. Memorial Day is a day to remember every person who went to war for their country and did not return.

MEMORIAL DAY

Memorial means memories. This is a day to remember the soldiers who fought and are fighting for our safety in the past, present, and for the future. If this day ceased to exist, America would not care WHO made us free, and WHAT people had to do to make Americans free. This is an important day for all people, making all remaining soldiers proud of what they did for us, and allowing us to appreciate them in many ways.

Memorial Day, also named as Decoration Day, is a day to mourn and thank the remaining and deceased soldiers who once fought for us. I talked with a Veteran last year; he explained what it was like being in war. Some are still always startled when they hear a loud honk or sound; they crouch down, thinking that they are being attacked, as in war. They always slept in dug outs, and watched people die innocently on the battlefield, because they cared for us.

Now I understand why I love living in the USA. People care for me every day, fighting for my family's and other's safety and beliefs. Thank You.
